Guru transiting over 10<sup>th</sup> house means sthana nasha, but its effect will be minimum, as its adverse effect is nullified by Saturn. However, Saturn itself is giving bad result as it's positioned in the fifth house giving you worried about children, expenses will rise but due to guru it's effects will be reduced but In the month of jun and july you'll see some of it's effects. Additionally mangal travelling from your 12<sup>th</sup> sign from 14<sup>th</sup> april to 23<sup>rd</sup> may will give you health related troubles, be careful eating spicy food, driving within speed limits etc.... Mars is transiting from your 1<sup>st</sup> house from 23<sup>rd</sup> may to july 3<sup>rd</sup>. Make sure you make enough friends before this time, make sure not to hurt anyone's feelings, relationship might hurt during this time. From July 3<sup>rd</sup> to Aug 16<sup>th</sup> mars is in your 2<sup>nd</sup> house more expenses.... Make sure to do wise investments during this time, any real estate related sales is not advised. From Aug 16<sup>th</sup> to Oct 4<sup>th</sup> mangal is in your 3<sup>rd</sup> house, it's a time to cash your benefits as Saturn who was giving adverse effect will improve after Sept 9<sup>th</sup> and will become beneficial to you. The only trouble to this combination can be rahu who is in your eighth house till Nov 17<sup>th</sup>. Please donate udid daal and sponsor rudrabhishekam on every pradosha as a remedy. After Oct 4<sup>th</sup> mars will be in your 4<sup>th</sup> house till next year means worries from enemies but Saturn transiting over in 6<sup>th</sup> house will effectively counter that, Hence on every Saturday offer oil and udid, teel to lord shani and do his archana. Reciting hanuman chalisa on Tuesday and Saturday will definitely help you. When planets are positioned well doing their puja will give you more benefits. Guru will turn positive for you during later part of the year till next ugadi and hence you'll slowly enjoy positive effects in the later part of the year. Worship of lord shiva is advised.

Rahu transiting from your 9<sup>th</sup> house will give you worries till November 17<sup>th</sup>. Guru transiting in makara (in your 9<sup>th</sup> house will help reduce those worries to some extent... Guru dev ki jai..... Guru will also help you in your finances..... if you are trying to get pregnant or having a child guru will help you in this regard. Shani dev transiting into kanya rashi after sept 9<sup>th</sup> will slowly show negative results with children, expense will rise due to children, control your entertainment related expenditure. Also Saturn in fifth house will increase job related worries. If you are working then WORK HARD. Saturn won't give negative results to those who work hard. Recite hanuman chalisa on every Tuesday, and Saturday to counter negative effects of Saturn. Mars in the beginning of year is in 11<sup>th</sup> house till May 23<sup>rd</sup>. More finances with help of guru and mangal during this time. From may 23<sup>rd</sup> to july 3<sup>rd</sup> you need to be very careful towards your health, drive carefully, don't eat spicy food, no drinking and driving. Some of you may undergo surgery during this time. Mars will be transiting over your first house vrishabha till Aug 16<sup>th</sup>, make sure you don't fight with your spouse, keep her/him happy as it's aspecting directly onto your 7<sup>th</sup> house, health will give you trouble, listen to your friends and don't upset them, no real estate investments advised during this time frame, after that mars will be in the second house creating more finance trouble for you but guess what adding more trouble Saturn is already unfavorable during this time. This will be a tough time for you. Advise: Do hanuman chalisa every Tuesday and Saturday, as much as possible. Do Mangal and Shani archana as and when possible on this days, offer red cloths, vadamala to hanumanji on Tuesday and offer black udid to shanidev on Saturday along with oil and black clothes. Once you pass this time then from oct 4<sup>th</sup> till the year end mars will bring some relief. Your family members will help you, money will

slowly come but again during this time Saturn is adverse and guru will enter into kumbha rashi from 19<sup>th</sup> December. Which means guru will give you troubles in later part of the year. If you listen to your elders guru will help you sail through however money related troubles will ease as it's aspecting 2<sup>nd</sup> house, child related worried will increase. You'll have more tough times ahead, 12<sup>th</sup> rahu can bring ill health, more family disputes (wife, children, parents). Take some yoga classes, worship lord shiva, do rudrabhishekam on every pradosha, if possible daily at home. Keep your mind cool and then guru will rush to your rescue after December 19<sup>th</sup> till year end. Thing you need to watch for is your health. Worship of lord shiva is advised.

Saturn the lord of 1<sup>st</sup> and 12<sup>th</sup> in 7<sup>th</sup> house, you'll make short trips or long trip to india and other places, and bring some sickness with you. ☺️ with guru in your 12<sup>th</sup> house ☹️ and Rahu being 12<sup>th</sup> till November 17<sup>th</sup> will definitely add salt to your wounds, cause more grief and pain, worries. You'll develop some kind of long sickness, make sure to get your regular full checkup done on time and take advise of some naturopath on your diet. Mars in your 2<sup>nd</sup> house will increase your expenditure, you'll be sending some

money to your siblings, or you'll not get any help from them. Mars will show some mercy on you from May 23<sup>rd</sup> till July 3<sup>rd</sup> with some relief. You'll get promised help from your family members. After that Saturn will be travelling to your eighth house causing more health related issues. You need to be careful about your health. This is also small dhaiya (2.5 years Saturn panoti) for you but guess what god has heard your prayers. This dhaiya or panoti is on base of copper: financial benefit, marriage, and kids, happiness. But for these you need to work hard otherwise shani devata will not shower his blessings. Who says shanidev always give troubles? The recovery will be slow, and when you have suffered a lot from last eighteen months Rahu devata will move into your 11<sup>th</sup> house and lady of victory will sing for you. Rahu in 11<sup>th</sup> house means happiness although guru will move into your 1<sup>st</sup> house causing some trouble but rahu will cancel that effect and you'll have good time. Worship of lord shiva is advised. Advise: Hanuman chalisa on Tuesdays and Saturdays.
