Rashiphalam

Predictions of 12 rashis

By Pundit Parashar

Rashiphalam

Mesha / Aries

- Hard work and patience will pay off right after June 19th when Jupiter moves into cancer or the fourth house. It should be a remarkable year by all means. It does not mean that things will be that easy in first six months but the Jupiter's aspect on ninth from third will help you overcome all obstacles and difficulties in daily life. You will be spending more time on phone or writing mails in first few months. Results will be instant and positive. Just do not disclose your plans and strategy to any one before it gets implemented unless you want to get jinxed. When Jupiter moves in Cancer all your long cherished desires will get fulfilled. You may move to a nice home or reconstruct your existing home. This next move or relocation will be very lucky and may be permanent. Life which had been challenging for past few years will suddenly come under full controls.

Rashiphalam

Mesha / Aries

- Rahu and Ketu's moving into sixth and twelfth from July will be an additional bonus. You will become humble and perform many good deeds and make generous contribution to a religious place this year. Rahu will help overcome your opponents and some secret sufferings of the past. Spouse will be working hard and extend a helping hand and provide moral support and act on your ideas quickly. The year will start with more than one great financial opportunity which will lead path for all kind of prosperity after June 19th. Children will excel in their lives in 2014. You may have some health issues requiring minor surgery after November. Do not ignore elderly, pay due respect, seek their blessings because its the blessings of Jupiter or Guru will will turn your life around in 2014.

Rashiphalam

Vrishabha / Taurus

- Saturn the lord of house of luck as well as house of career will stay exalted in sixth till November. Saturn will help those looking for a change in career and the opportunity that comes from direction west will be very lucky. If you are appearing for any highly competitive exam this year, success in first shot is certain. You will also recover or be cured from any past illness in 2014. Money will come in plenty but the expenses will not leave you alone. The only good part is that money will go on good reasons like children education or marriage. Once Jupiter moves into Cancer, you will have a sigh or relief as suddenly expenses will come down a lot, liability will kind of disappear and you will start to accumulate money in savings.

Rashiphalam

Vrishabha / Taurus

- There is a strong possibility of one of your child moving out for a good reason, maybe getting married or going away for education purpose after July, 2014. All you will need is little patience as the results for your efforts will always come a day later. People prone to blood pressure problem should be careful and other wise also no harm in cutting down on salt this year in order to stay in shape. February and March are favorable for career and to appear for any exam. You may also buy another property for investment purpose this summer. Prompt actions will be the key to success. try taking some Iron supplement and emphasize on green vegetables in order to maintain good memory and lightening fast reflexes in 2014.

Rashiphalam

Mithuna / Gemini

- Progress will be slow and steady in the beginning and the projects started in last six months will soon start to bear fruits. In spite of the things going in right direction, you will be slight nervous and shaky from within. Try eating an apple every day or green vegetables to make nervous system strong. You will continue to receive big support or guidance from an elderly and successful person. For bachelors it might be slightly difficult to choose among several options but will end up making the correct choice. Jupiter will bring a great opportunity to start a new venture in partnership with some like minded people before June 19th. Once Jupiter moves into Cancer, money will start pouring in.

Rashiphalam

Mithuna / Gemini

- All your earlier investments will start yielding profit and by the end of year 2014, you will accumulate wealth in a big way. Just be very careful when re investing the extra cash on hands. People working will also either make a smooth switch or will be promoted with big raise and benefits before June 19th. You have to be little careful with people with their name starting with letter N this year. Spouse will provide great support and motivate you when you become double minded. There is absolutely no hard in playing few lottery tickets in second half when Jupiter, factor for wealth will be aspected by exalted Saturn, the lord of house of luck. By all means it will be a better year money wise.

Rashiphalam

Karka / Cancer

- This year will start on a slow note but after January 20th, suddenly you will find your self full of energy and planning for the future in a big way. There will be some interesting change in career from February and onward and the progress will not stop there after. Transiting Saturn in fourth will keep you focused on resolving issues in family life as if its not going to be one thing, it will be another. This exalted Saturn on the other hand will ultimately prove to be very beneficial. Assets will grow and you may purchase another big property and even move in this summer. Once Jupiter moves on your sign on June 19th, Life will take a very positive turn and most of your desires will be fulfilled.

Rashiphalam

Karka / Cancer

- Without any outside help you will take many wise decisions and implement them quickly. You will have the Midas touch for rest of the year. This time gains and benefits will be for long terms and you will invest money wisely. You may get a big consulting contract in July. Family life will be better and issues involving children will get resolved to your satisfaction. Jupiters transit will revamp you with wisdom and maturity. You will become more religious and perform many charity in second half of 2014 when Ketu moves into ninth house, the house of religion. The only negative thing this year is that the people you give advice will benefit immediately but the same formula will not work on self. You will need outside help from time to time.

Rashiphalam

Simha / Leo

- Chance of addition of a new member in the family still good till June 19th. Life will continue to improve in 2014 and some of you may buy out your business partners or get out of partnership and start on your own. There is no harm in expanding but most probably you will stretch your limits, end up making big commitments and increase your liability. You will start to feel crunch and pressure right after July 2nd when Rahu moves in second, or the house of finances. Avoid stocks and other speculations also in second half. Some of you may also accept assignment away from home. You may leave at an earlier date and family may join you later after few months.

Rashiphalam

Simha / Leo

- Some one tall and having dark skin will give headaches this year. If going for any competitive exam, the best time is before June. There might be slight delay in getting the judgment but ultimately victory is all yours in ongoing legal matters. Saturn will make you travel long distance and the places you never visited before for business as well as recreation purpose this year. Spouse has always been correct in the past so if you want to make things easy and be successful, listen to spouse and you will not regret.

Rashiphalam

Kanya / Virgo

- Past experience and setbacks will help you make the right choices and stay away from troubles. Of course few mistakes made in the past could continue to drain you financially for first six months of 2014. But right after June you will bounce back and maybe even better than before and this time you will be standing on solid grounds. Jupiter's presence in house of career will keep you on the edge and ready to change given an opportunity. Working conditions will get tough forcing you to apply outside and closer to home. Efforts will show results in mid June and you will make a smooth change in career this year. Second half of 2014 is very promising in many way. Your assets will grow and you may buy another property this summer. Some of you may find very like minded and experienced people to launch a major project on hold for long time because of lack of finances.

Rashiphalam

Kanya / Virgo

- Bachelors will not have to look around anymore as they will find their soul mate after June. First six months will be a learning experience as you will start to recognize foes among friends as few people close who made big promises in the past will completely disappear from scene. You will become strong and tough once Rahu moves on your sign in July. People prone to blood pressure should keep an eye and try to stay calm especially in first three months of 2014. If are involved in any kind of litigation, there are very good chance of a victory as well as financial gains after July. If looking for an addition in the family, it can happen after June 19th. You will come across an older person with gray hair in month of march and this person will give some useful tips, that will change your life completely.

Rashiphalam

Tula / Libra

- It will be a very favorable year by all means. Most favorable planet Saturn will continue to occupy your sign and bring things under controls one by one. Secondly it's your tough attitude that will do rest of the magic. Construction on the land will be completed on time and you will move in quickly. For others buying a property for the first time becomes a reality in month of June. Try not to go for too old property this time. There is no harm in buying an old rental property. Once Jupiter moves in house of career in June, it's gonna cause major changes in career/ professional life. You will need to seek outside advice and enough moral support or will end up making the wrong or inferior choice.

Rashiphalam

Tula / Libra

- Your negotiation talents will be tested and if you can play your cards right you could really hit a goldmine in career. Dream job with lots of perks is within grip only if you are ready to relocate to a distant place. You will become very ambitious when Rahu moves in twelfth house in July. You will be shooting for Moon, just stay on solid grounds as you do not wish to loose what you have in order to gain what is beyond reach, if not impossible. Money wise you will stay comfortable, always finding reasons to spend on things needed or not. Play safe, hold your temptations and avoid borrowing too much in order to expand and you will do fine this year.

Rashiphalam

Vrischika / Scorpio

- Transit of Jupiter in ninth, house of luck from June 19th and onward will be amazing. First six months it be a continuous battle and may require extra efforts to meet your commitments. Though the year will start with a positive note and enhanced spirits. All you need this year is , determination. You will need the attitude either now or never and the results will amaze every one in second half of 2014. Addition in the family will be accompanied by good luck and fortune. Jupiter's transit in ninth will bring you in company of a matured and religious person. Just being in touch with him will bring you wisdom and good luck. Rahu's presence in twelfth till July is tricky.

Rashiphalam

Vrischika / Scorpio

- You will be tempted to take big risk in order to become rich over night and such results could create dent in your earlier savings. Now on positive side, after June you will come across many great financial opportunities to make money in fair way. This may be a great time to peruse your educational dreams on hold for past few years. All you earlier investments will start to reap rich rewards and by the year ends, you will see enormous wealth in your possessions. Because Saturn still transiting house of expenses and losses, watch out for legal troubles, be extra careful when dealing with government or filing taxes and drive more carefully this year.

Rashiphalam

Dhanush / Sagittarius

- Little efforts and big rewards will be the theme this year. You will be happy and content the way things will shape up and opportunities will knock at your door. Right after January 15th, you should start to have the sense and positive feelings about the year ahead. Do not hesitate to accept the assignment overseas or to other end of country. There is a strong chance of an addition in the family in month of May for those looking for one. There is no slowing down this year as you will have one good idea after another and continue to find right team and resources to implement them. Finding the right partner and immediate marriage is also in the air for bachelors this year.

Rashiphalam

Dhanush / Sagittarius

- Strong chances are that you will buy a property in July but may not live in it. You will be on the move in second half and may have to travel frequently for solely business purpose. February and March is auspicious to launch your plans. You will achieve great success in between April 15th and September 20th and will never look back. Don't be surprised when you receive more than anticipated from a litigation or an Insurance claim. You will become far sighted and keep putting money away without even close family member's knowledge. Respect elders and do not forget the people who helped in rainy days or the success will lead to big ego.

Rashiphalam

Makara / Capricorn

- It will be a fruitful year by all means. An exalted Saturn in house of career will cause major improvements. Education you acquire by summer will immediately take you to a total different dimension. Chance of an addition in the family continue to stay strong till June 2014. Investments you make this year and especially in properties will turn profitable within this year. Money wise you will continue to grow and by the year end, you will have lots of money in savings. It will be a better year for people doing business overseas or are in the field of communication or sales. A narrow minded colleague will create some headaches and may even complain to superiors but will end up quitting the job himself in the month of April.

Rashiphalam

Makara / Capricorn

- In the beginning of year you may have to deal with some health issues but proper care will help cure problem forever. Saturn can also help you get favorable outcome in a law suit. You will have to stay alert and keep your eyes and ears open in year 2014 as opportunities will come quick and if prompt actions are not taken, you will miss the boat. After June 19th, there might be some change in partnership setup, there may be friction among partners. Spouse may also have some health issues, just remember that western medications will not help at all, only orthodox remedies like yoga, change of diet, homeopathy and herbal medicine will help.

Rashiphalam

Kumbha / Aquarius

- Transiting Jupiter in fifth will help you grow financially. Expenses will stay under controls and you may put a moratorium on new as well as unnecessary purchases by immediate family members. Issues involving a child will ultimately get resolved with the help of a matured and spiritual person. You will successfully implement your plans and keep marching towards financial freedom. Some of you may diversify or buying another franchise business around June. Value of stocks purchased last year will appreciate and you will not hesitate to dispose them off and put the money in savings in month of July.

Rashiphalam

Kumbha / Aquarius

- Saturn on the other hand will continue to occupy house of luck. People doing business overseas will benefit a lot from such Saturn. There will be at least three trips overseas in connection with business. Nature will change and more than one time you will go out of your way and help needy siblings or friends. You will turn down few tempting offers because they clash with your ideology. You will make connection with a successful politician and get some major work done with his help. Do not under estimate your other half, pay attention, your partner is full of very bright ideas this year. Think there is no letter I in "team".

Rashiphalam

Mina / Pisces

- Things will be little slow in the beginning but after June there will be some surprising developments in life. Professionally you will be on the top of this world in second half. Exalted Jupiter will bring confidence back and you will once again walk in social circle with your head high. People in business will be successful in recovering most of the money. Money you loaned to a friend will also come in full. You will be spending lots of money on your home and family member in first half but liability will suddenly disappear after June. Political connections made in past few years will come handy during 2014 and people with political aspiration will be appointed to some post this summer.

Rashiphalam

Mina / Pisces

- Strong Jupiter will help you overcome all obstacles. Be humble and pay respect to elders and your life will flip around only for betterment and you will start to have the life and luxuries you always dreamed about. Saturn in eighth can give some health trouble requiring some kind of surgery. Do not be scared to go under the knife as problem will be cured once for all. People looking for an addition will be blessed with one towards the end of 2014. If there will be problems, it will come from or because of a female this year.

Guru's Transit
